Refund Policy - Lumen Dashboard

(Fictional document for demo purposes.)

1. Monthly plans

Monthly subscriptions can be refunded in full within 14 days of the first payment. After 14 days, monthly payments are non-refundable, but you may cancel any time and keep access until the end of the billing period.

2. Annual plans

Annual subscriptions are eligible for a full refund within 30 days of purchase.

After 30 days, a pro-rated refund is issued for the unused full months, minus a 10% admin fee.

3. Enterprise contracts

Enterprise refunds are governed by the signed order form, not this policy.

4. How to request a refund

Email billing@lumen.example with your account email and invoice number.

Refunds are processed within 7 business days to the original payment method.

5. Exceptions

Add-on usage credits (e.g. extra data connectors) are non-refundable once used.

Accounts terminated for abuse are not eligible for any refund.
